fundraising solution

**A simple, secure and efficient solution
to boost your digital fundraising.**

over
€1 billion
raised for nonprofits since 2012

13 million
transactions processed

500 clients
in 18 countries worldwide

135 currencies
and 36 supported languages

With our payment solution you can:

Create and configure your forms simply and without expertise

Create an unlimited number of donation forms dedicated to your organisation's various projects.

Allow donors to make donations from all over the world in their local currency and language.

Offer multiple local & international payment methods: credit card, wire transfers, direct debit, Paypal, Checks, Apple Pay, Amazon Pay, etc.

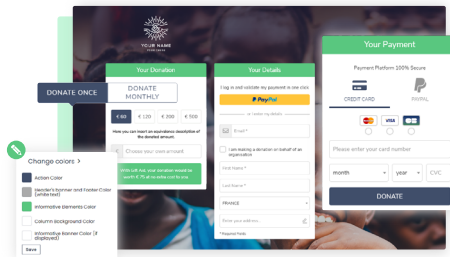

Offer one-time donations as well as regular/monthly giving

Test your forms' performance to optimize conversion rate with A/B testing

Be alerted in case of a specific action (ex. if you receive donations above a certain amount).

Edit and send tax receipts to your donors.

Follow your fundraising in real time and edit your activity reports.

”

iRaiser has really simplified the monitoring of our digital fundraising, made much easier the creation of donation forms & helped us allocate funds more precisely to our different field projects. We managed to raise more than 350K euros in 6 months and handled high volumes of traffic during recent emergencies.

— Alain Bourdil, Digital Fundraising Manager, WWF Belgique
