

Stroke Survivors Speech and Language Group

News 15th September 2022

Hi All

A big thank you to our Volunteer Sue H for her fantastic idea on a collage for HRH Queen Elizabeth which our Alsager members produced today. She will be arranging to send it down to London on behalf of the Stroke Survivors Alsager and Crewe. We also have a condolence card which will go with it from us all.

Spacehive

We have set up a crowd funding process where we need to raise about £2758 by Christmas this year

If we manage to get 50% of this we hopefully will be matched by Cheshire East Council (if they accept our project)

We need to get as many people as possible to LIKE our project as it shows Cheshire East that we have the commitment of our community as well so please forward this to everyone that you know and others that you think may help us.

We would love to get a pledge as well as a like to be honest as well but a LIKE is fantastic for us

Please help us, to enable us to help others as well!!!!
