

THE SOFII ONE HUNDRED

A special community supporting fundraisers worldwide

Joining the SOFII One Hundred is your chance to shape the future of fundraising by giving your fellow fundraisers the courage to innovate.

You'll help fundraisers learn from past lessons, embrace the foundations of great fundraising, build on the shoulders of the pioneers, and share their successes back to SOFII so they can inspire the next generation.

Who else is in the SOFII One Hundred?

The SOFII One Hundred are a group of kind fundraisers from around the world, who donate regularly to ensure SOFII continues offering quality content, resources and support for everyone who relies on us. [You can see the super fundraisers who have joined and read why they give, here.](#)
