

Improving spiritual wellbeing and the NHS experience in Bolton

Our Bolton NHS Charity

Thanks to grant-funding from NHS Charities Together, the fundraising efforts of the Hindu and Muslim communities of Bolton, and donations to Our Bolton NHS Charity, we have proudly funded the enhancement of faith facilities at the Royal Bolton Hospital.

The facilities - costing £426,000 - include a bright and spacious mosque and temple that can comfortably welcome up to 100 worshippers. A new community hub also provides a valuable and versatile space for communities to come together and for staff to access support groups and participate in staff network meetings and events.

“

It never ceases to amaze me just how far people and organisations will go to make sure Bolton is a great place to work and live. I can't wait to see how much of a difference these facilities makes to our wonderful town.

- Councillor Akhtar Zaman, Mayor of Bolton

”

The faith facilities were officially opened on Monday 27th March 2023 by the Mayor of Bolton, Councillor Akhtar Zaman

“

We are passionate about making sure people who come to work or visit the hospital are able to bring their whole selves, and having a space to pray and practice their faith makes all the difference.

”
