

Development happens within Relationships
across a lifetime through genuine affect, respect,
warmth, and playful interactions

We help parents relate and connect with their
neurodivergent children using DIRFloortime®

**We Advocate for the Developmental, Individual differences,
Relationship-based (DIR®) Approach for Children, Youth,
and Adults with Developmental Differences**

- Blogs and Podcasts with DIRFloortime Experts
- Floortime videos, takeaways, insights and practice tips
- Weekly online parent support virtual meetings
- Sign up for our updates and receive a free, digital copy of our publication: *"10 Things You Can Do Now to support your child"*
