Could you find your place in the SOFII One Hundred?

Joining the SOFII One Hundred is a way to shape the future of fundraising and give fellow fundraisers the courage to innovate. It's also a way to extend your helping hand to the fundraising community.

The SOFII One Hundred are fundraisers from around the world who donate regularly to SOFII. Their generosity means The SOFII Foundation can continue offering quality fundraising content and support to the fundraisers who rely on our free resources. It is an amazing gift to give.
