Marathon Maximiser Bundle - save 15%!

Do you want to truly maximise your income from the London Marathon AND save you and your team time?

- Does your charity now have marathon places for the very first time?
- Have places but struggle with on-the-day plans or participants not hitting target?

Jam-packed full of videos, how-to guides and templates to help you find and sign up the very best runners who will fundraise hard, steward them to effectively hit their targets, and plan an epic on the day experience for them.

"This bundle is more than worth the money. We were able to apply the advice right away and are looking forward to enhancing our recruitment, stewardship, and post-event journeys for the next London Marathon, and other events too. It'll allow us to make the most impact and help save lives. You'd be silly not to snap it up!"
