## A Benefit for all Civil Servants

### About the Civil Service Club

The **Civil Service Club** is a long-established membership organisation for **UK Civil Servants**, both past and present. Originally gifted by **Her late Majesty Queen Elizabeth II**, the Club remains a unique, unsubsidized benefit that proudly serves the **civil service community** with pride and tradition. The Club also has the honour of **His Majesty The King** serving as its Patron.

Conveniently situated in a converted **Victorian fire station** near **Whitehall, Central London**, the Club offers easy access via public transport, making it ideal for London-based civil servants as well as those visiting from across the United Kingdom or abroad.

The Club boasts a membership of over 15,500 members and is **run as an unincorporated association by the members for the members**. We have members from all corners of the UK as well as members based internationally: Many overseas members are part of **His Majesty's Diplomatic Service**, serve alongside the UK Armed Forces, or are émigrés, and all make the Club their trusted base when in London.

The Club actively welcomes **new recruits to the Civil Service**, including participants in the **Fast Stream programme**, helping foster networking and a keen sense of the civil service community.

### What Does the Civil Service Club Offer?

The **Civil Service Club** offers more than just a meeting place—it's a **safe, inclusive environment** where members can connect, unwind, and celebrate shared experiences. Nestled in the heart of **Central London**, the Club serves as a **social hub** and a true **home away from home** for Civil Servants.

Members enjoy a wide range of amenities and activities, including:

- **Affordable accommodation** in Central London, ideal for both short stays and extended visits
- **Low-cost food and beverages**, priced well below local hospitality venues.
- **Exclusive social events** such as **comedy** nights, pub **quizzes**, **wine tastings**, **cabaret** performances, speaker events, guided **walking tours**, and the annual outing to The Derby at Epsom Downs.
- **Meeting spaces** used for Civil Service staff networks, hobby groups, sports clubs, and special interest societies.

The Club hosts private functions for members, such as luncheons, dinners, weddings, retirements, and social gatherings, conferences, seminars, meetings, and AGMs.

## Membership Benefits & Rewards

Joining the Civil Service Club comes with generous benefits:

- **Birthday vouchers** and **discount vouchers** for use within the Club.
- A **loyalty scheme** that converts spending into additional vouchers.
- The potential to **entirely offset the cost of membership** through use of vouchers.
