

Who is Purple?

Purple is a leading organisation dedicated to disability inclusion. Since 2002, we have supported over 50,000 disabled people and helped organisations worldwide become more accessible. Our mission is to drive social and economic change by improving the experiences of disabled people as customers, employees, and stakeholders.

How we Support Organisations:

We help businesses embed disability inclusion through our Purple Framework, focusing on:

People

Training and awareness programs to build disability confidence.

Place

Ensuring physical and digital environments are accessible.

Policy & Process

Reviewing policies and processes to foster inclusivity.

Our Services to Support access & inclusion:

Training & Consultancy

Access Audits

Policy Reviews

Customer & Employee Experience Guidance
