

LAURA WAYCOTT BSc FCA

Partner

Laura trained and qualified as a Chartered Accountant in a large regional firm not-for-profit she worked for 14 years. From 2010 Laura specialised in the not-for-profit sector working with Charities, Academies, Community Benefit Societies and CICs. Laura played a key role in the not-for-profit team contributing to the all-round technical delivery and presenting at charity conferences and academy seminars.

Laura left this role in January 2020 and went to work for a large regional Charity as their Head of Finance. This role has given Laura a valuable insight into the internal workings of a complex not for profit entity and extensive experience of working with employees and volunteers at all levels, regularly presenting information in an understandable way to people of all levels of financial literacy.

Laura then joined Griffin Chartered Accountants and is working alongside the rest of the team to deliver an excellent all-round service. As well as ensuring that all regulatory requirements are adhered to Laura prides herself on her excellent client relationships and collaborative approach to working.
